

Marketing Testimonials For The **Realtor's Assistant**

Beth has been the best thing that happened to my career this year. No matter what or when I call she is prompt and goes far beyond the standard service level. As far as I am concerned she will be a part of my team for the rest of my career, she adds to the professionalism that takes my representation to clients to the next level, I am so blessed to have her on my side.

I got my portion done, thanks to your help! Your photos were fantastic and the brochure was excellent.... thank you! I see you've added the MLS photos so the initial set-up phase of this listing is complete, and I now feel prepared for my meeting with the Seller this morning. Beth, I sincerely appreciate your assistance. My hope is that this will be a long-term and mutually beneficial business relationship. I look forward to working with you on each of my future listings.

I have been very pleased with The Realtor's Assistant. In our business fast response and accuracy are essential. The brochure prepared for me was a pleasure to see - professionally done and thorough in content. It is little wonder the listing they handled for me in Highland Creek sold in a week!
